Dear Participant,

Greetings from e-Yantra!!

This is to state that your team:

1. Karthik K Bhat-2 year-Electronics and Communication Engineering
2. Vishwas N S-2 year-Computer Science and Engineering
3. Suryanarayan N-2 year-Computer Science and Engineering
4. Shreyas R-2 year-Electronics and Communication Engineering

from college **PES University** are selected to participate in the e-Yantra Robotics Competition 2018 national final at Indian Institute of Technology Bombay. The event is on March 29, 2019 and March 30, 2019.

To demonstrate your working model in the finals you will be required to travel to IIT Bombay, Mumbai on said date.

General Instructions:

1. Team members qualified to participate in the finals of the Robotics competition and possessing a **valid College Identity Card** will be permitted to enter the IIT campus for the competition finals.
2. Your arrival information has been provided to the security office at IITB Main Gate for verification. Hence student teams participating in the competition must enter IIT Bombay Campus through Main Gate only by displaying their valid college identity card to the security.
3. **Only registered team members are allowed to attend the finals. No team member can be changed at this point.**
4. The team should ensure that the security would issue a Gate-Pass for all the personal electronic goods (for example Laptop, Robot, Cameras etc.) on their arrival. Teams will be required to produce this Gate-Pass when they exit the IITB Campus. This process is required by IITB security.
5. Due to High alert Security currently prevailing in the country in general please download the No Objection Letter document from portal. It is desirable to have this document printed on your **college letter head**. Please fill the correct information wherever indicated and get this signed by the Dean/Director/Principal or any such designated authority of your college. **And please carry this letter with you during your travel to IIT Bombay for the finals of e-Yantra robotics competition.**

Instructions for finalists:

1. All Teams are requested to be present at the competition venue **at least 15 minutes** before the scheduled start of their Theme.
2. Teams not reporting within the given time will be disqualified.
3. For all Themes, Teams will be called in random order for final demonstration.
4. Teams will be evaluated based on scoring formula as mentioned in the rulebook, apart from this additional marks will be awarded by judges based on performance during the final demonstration.

5. Teams will be provided **one practice arena setup per Theme** from 3PM onwards on March 27th 2019, as specified in the rulebook. Teams can carry extra blocks, electronic circuits, etc. (as required for specific Themes) for practice. As stated above since arena will be provided you need not carry it for the finals.
 6. Arena of quality similar to one provided for practice will be provided for finals.
 7. **Prize:** Winners of the competition will be awarded certificates and cash prize. All finalists are eligible for the e-Yantra Summer Internship program. Please note in case any participant has participated in the internship programme in any previous year s/he will not be considered for summer internship starting May-2019.
 8. Students are requested to report at address given below:
ERTS Lab,
1st Floor, KReSIT Building, CSE Department
IIT Bombay, Powai - 400076
Contact: (022) 2576-4986
-

Covering travel expenses:

1. Each shortlisted team member coming to IIT Bombay for eYRC finals will receive a payment of Rs. 3000/- towards travel expenses to and from IIT Bombay to home for outstation participants. For participants in the finals from Mumbai each team member will receive Rs.1000/- towards travel expenses from home to IITB and back.
 2. Teams are advised to carry with them proof of travel.
-

Accommodation:

1. Teams selected for the finals of the competition will be provided hostel accommodation free of cost. Hostel dormitory/room will be available for team members on a shared basis.
 2. Please note that **ONLY** team members after verification will be allowed to stay in the hostel.
 3. For out station candidates participating in the competition hostel accommodation will be available from after 11:00 AM of 27th March 2019.
 4. Team should vacate the accommodation latest by **noon 31st March 2019**.
 5. **No accommodation will be provided to any person other than team members.**
 6. **Mumbai-based teams will not be provided Hostel Accommodation and should report on all two days of competition i.e. on 29th, 30th March 2018.**
-

Food:

1. Meals will be provided to all participants on two days of the competition - **29th and 30th March 2019**.
 2. Participants who report on the 27th, 28th and planning to leave on the 31st will have to make their own arrangements for their meals on those three days.
 3. There are several places to eat on the campus such as student hostels, Gulmohar cafeteria and others.
-
